

How to Report Missing Person

- **CALL 9-1-1**
- Notify operator that missing person has Alzheimer's or Autism and is a part of the LA Found Project Lifesaver Program.
- Provide 6 digit radio frequency # that starts with 218.
- Provide status of the last time device battery was checked or replaced.
- If the operator is unaware of the program, advise them to contact the L.A. Sheriff's Department Mental Evaluation Team.
